me: hey man
me: do you know how to locate someone in a hospital?
me: in NYC?
Sam: which hospital
me: I don't know, that's the problem
me: but maybe you know of hospitals in the upper west side?
me: I can't find shit on google
Sam: i don't think there's any way. you could call 311 and ask if there's a way
me: okay, thanks
Sam: your best bet is tracking down a relative of the person you're looking for
